Certificate IV in Hairdressing (WRH40106)

CRICOS Code: 060776K

WRH40106 Certificate IV in Hairdressing is designed for hairdressers who wish to further enhance their skill level. This training course adds in Certificate II and III in hairdressing along with a bonus of business management and marketing skills.

Likely functions in the hairdressing industry for those who achieve this qualification may include employment as a highly skilled hairdresser, working as part of a salon team or coordinating a salon team; a technical adviser with a hairdressing products company; or independently as a freelance session stylist. Functions at this level include the self-directed application of a broad range of knowledge and skills and the provision of technical leadership, training and support to colleagues. A hairdresser at this level may provide specialist services, including haircutting, hair design, hair colouring, complex colour correction, hair extensions, chemical reformation, trichology and make-up application

Upon successful completion of Certificate IV participants will be able to apply for different existing career opportunities such as salon work (national and international), styling for fashion, theatre and films and managing your own salon.
